

2025 BC Performance Program – Score Reporting

Online Application & payment submitted by: June 1st 2025

Scores must be submitted by: June 16th 2025

Application is not valid unless BOTH the above items are completed and submitted.

Score Requirements

1. The archer must have competed in at least four (4) 720-rounds between July 1st of the previous year and JUNE 16th of the current year. In addition, during this same period the athlete must have shot at least one (1) 720-round score which meets the minimum qualifying score as shown for their corresponding category in the chart presented in Appendix “A”, which must be the category in which they will compete at the Nationals.
2. Any scores submitted from a Registered 720 must appear in the Tournament Results section of the Archery Canada website. (Archers who are a Cadet for the first time this year may use their Cub scores from last year where necessary, however, at least one score submitted must be shot at Cadet distances)
3. At least one (1) of the scores submitted must be from a REGISTERED 720. See Appendix "D" for the process of recording/submitting scores from an unregistered 720-round.

Please list the following details for evidence of the minimum required scores:

Date (yyyy/mm/dd)	Location	Score	Listed on AC Web (Yes/No)	Recorded Round (Yes /No)

*Scores shot from unregistered events are to be emailed to the [Performance Program Coordinator](#) within 2 days of shooting the round, must include a photo/scan of completed score card. Once again, see [Appendix D](#) for the guidelines on this.
